

**Research Assistant I (Part-time) (Two posts) (Ref: 2400024)**  
**Department of Psychology**

**Project Title:**

- 1. Using an integrated framework of cognitive control and a transdiagnostic dimensional approach to understand psychopathology: A pilot study**
- 2. Developing a home-based executive function training program for autistic individuals**

**[Appointment Period: 4 months]**

The appointee will work on research projects on executive control, mental health, and psychopathology. He/she will support the research team in planning, conducting, and coordinating the project activities. The appointee will conduct literature review, data collection, data entry, data management and analysis, report and manuscript writing, and liaison with collaborators and schools/organizations. The initial appointment will be for a period of 4 months, with the possibility of renewal subject to mutual agreement.

The applicants should have a Bachelor's Degree in psychology, cognitive neuroscience, or a related discipline; interest in understanding mental health and psychopathology; good communication, presentation, and interpersonal skills in both written and spoken English and Chinese (Cantonese); strong administrative and management skills; research knowledge and skills in using SPSS; enthusiasm, self-motivation, and the ability to work independently and under pressure.

For further enquiries about the post, please contact Dr Yeung Kin Chung Michael at [michaelyeung@eduhk.hk](mailto:michaelyeung@eduhk.hk).

---

Salary will be commensurate with qualifications and experience.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV. **Review of applications will start from 24 January 2024, and will continue until the post is filled.** Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised. Since the incumbent's work would involve contacts with persons aged under 18 and/or mentally incapacitated persons, prospective employee(s) will be required to undergo Sexual Conviction Record Check operated by the Hong Kong Police Force.
