

Assistant IT Manager (Ref: 2400920) Office of the Chief Information Officer

The Office of the Chief Information Officer (<https://www.eduhk.hk/ocio>) provides quality services to support all central information systems in support of teaching, learning, research and administration and places emphasis on staff's career/professional development. The Office is looking for quality professionals to fill the post.

The appointee will be assigned to the Management Information Systems Team and will undertake the role of a Java Developer, including user requirements gathering, system design, development, implementation, testing, documentation and maintenance of a suite of information systems/apps. The appointment will be for a period of 2 years with the possibility of renewal subject to mutual agreement.

Qualifications:

- Recognized Bachelor's degree in Information Technology or related disciplines.
- Preferably three years of relevant full-time post-qualification working experience of Java Developer or equivalent gained in a sizeable IT environment.
- Prior experience in tertiary institutions would be an advantage.

Required Skills and Knowledge:

- Solid experience in Java-based web application development (J2EE, Servlet, JSF, JPA, etc.) and relational databases (Oracle, MSSQL).
- Proficiency in frontend programming (PrimeFaces, Ajax, jQuery, HTML5, etc.).
- Experience in Business intelligence / Data analytics (OLAP, SQL Server Analytics, MDX, Power BI) would be an advantage.
- Additional experience in API development and mobile app development (Native, Hybrid) would be an advantage.
- Excellent command of English and Chinese with good communication skills.
- Ability to manage multiple tasks simultaneously, and work independently and proactively.
- Strong analytical, problem-solving and interpersonal skills, and be a good team player.

Salary will be commensurate with qualifications and experience. The appointee will be offered the functional title of Assistant IT Manager which holds the substantive post of Assistant Computer Officer in the University.

Initial appointment will be made on a fixed-term contract. Fringe benefits include the University's Voluntary Contributions to MPF Scheme or a contract-end lump sum payment (totaling up to 10% of the basic salary), leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV. **Review of applications will start from 23 August 2024, and will continue until the post is filled.** Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.

Further information about the University is available at <http://www.eduhk.hk>.
