香港教育大學
The Education University
of Hong Kong

Research Assistant I (Ref: 2401075)
Artificial Intelligence and Digital Competency Education Centre

The appointee will be responsible for providing research support for the Centre in various educational projects. Duties include conducting literature review, data analysis, writing academic papers, reports and documentation, as well as performing other duties assigned by the Centre Director. The appointment will be for a period of around 12 months.

Applicants should have a Bachelor's degree, preferably in Language, Social Science, Psychology, Education, Computer Science, Information Technology or related disciplines. They should have excellent writing skills in English, and proficiency in spoken Cantonese. Background in statistics or experience in using statistical packages such as SPSS, R, or MPlus is preferred. They should be self-motivated and able to work as a team member. Immediately available is preferred.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the online application form and upload a full CV on or before **2 October 2024.** Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to http://www.eduhk.hk/jobsopp/index.php?glang=en.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.

Further information about the University is available at *http://www.eduhk.hk*.

EdUHK is an Equal Opportunities Employer.
